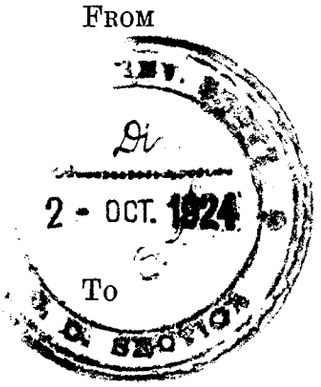
OFFICE OF THE REVENUE COMMISSIONER
IN MYSORE.

No. D 5/14-15/4

Bangalore, 1st October 1924.

FROM



K. CHANDY ESQ., B.A.,
Revenue Commissioner in Mysore.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue *Department.*

SIR

With reference to para 2 of your letter No.205 D. dated the 25th September 1924 stating that Government are not in favour of introducing spinning as a measure of relief, I have the honour to forward herewith copy of D.O. letter No.C.C. 1840/22-23(camp Maddagiri) dated 30th September 1924 together with its enclosures in original stating that the local co-operative Society at Maddagiri is prepared to undertake the work of providing employment to the Ghosha and other caste women in the affected parts of the Maddagiri Taluk by supplying cotton to at least 30 persons who will operate on Charaka if only a small amount of Rs.500/- is advanced by Government for the purpose of running the business. The whole work is done by a purely private agency and the co-operative Society holds itself responsible for the repayment of the amount to Government and has sent a copy of the resolution dated 20th September 1924 to that effect.

As many of the women who are likely to work will have otherwise to be brought on the gratuitous relief lists, I request that the scheme may kindly be approved of by Government and a sum of Rs.500/- ordered to be advanced to the co-operative Society free of interest and repayable at the end of one year

on condition that Government will not be responsible for any loss that may be incurred in running the business, the amount being met from Rs.5000/- sanctioned in para 3 of Government Order No.153-7/D. dated 6th September 1924 for the relief of weavers.

I have the honour to be,

Sir,

Your most obedient servant,

Assistant Commissioner,
For Revenue Commissioner,
(Absent on Casual Leave)

Letter D.O.No.1840/22-23 dated 30th September 1924 from the Deputy Commissioner, Tumkur District to the Revenue - - Commissioner in Mysore.

I had proposed the introduction of some home industry like spinning and making clothes out of cut cloths as a means of providing employment to the Ghosha and other caste women in the affected parts in the Maddagiri and Pavagada Taluks, but Government do not appear to be in favour of the scheme.

But it will be seen from the Maddagiri Sub Division Officer's D.O.No.18 dated the 27th instant(copy enclosed) that the local Co-operative Society is prepared to undertake this work if a small amount of Rs.500/- is advanced by Government. This amount they are prepared to repay when the concern is closed. The idea seems to be very good, as the whole scheme is run by a private agency and is in no way in opposition to the spirit of Government Order.

A sum of Rs.5000/- has been sanctioned for issue of loans to the weavers in these parts and Rs.500/- can easily be advanced for the above purpose with necessary safe-gaurds.

I therefore request your approval to do so free of interest as otherwise as many of the women who are likely to work will have to be brought on the gratuitous relief to prevent them from starvation.

I came here yesterday to see the conditions after the rainfall and am proceeding to Pavagada this afternoon. I shall submit a detailed report before proceeding to Mysore for Dasara.

"C O P Y"

For Revenue Commissioner.

MAN.

D.O. letter No. 18 dated the 27th September 1924 from the Sub Division Officer Maddagiri, Sub Division, to the Deputy Commissioner, Tumkur District: -

==========

" In continuation of my D.O. letter No.16 dated the 19th September 1924 regarding the proposal to introduce Charaka, I enclose herein copy of proceedings from the Maddagiri Co-operative Society Ltd. made at a meeting to consider the desirability of forming a sub Committee to help Ghosha and other caste women as desired in your D. O. letter No. 99 dated the 16th instant.

The Sub Committee will undertake to supply cotton to at least 30 persons who will operate on Charaka. They deal with the sales of produce of cloth prepared out of such yarn. They will undertake to see that no loss is incurred in the concern. That for the purpose of running the business the Society requires a loan of Rs. 500/- repayable when they cease to transact business. They further bind themselves to submit accounts periodically.

I think the Society may be kindly given a trial and granted a loan of Rs. 500/- without interest. "

Deputy Commissioner,
Tumkur District.
